## Safety Matters

Just Between Friends is dedicated to keeping families safe. That's why we want you to have up-to-date information on safety and recalls for items you're still using and for items you want to sell at JBF.

As a Seller, it is your responsibility to check all of your items for recalls. If an item is recalled, it cannot be sold at JBF. If you've installed the recall repair, it is safe to use and sell at JBF. (With the exception of cribs. Cribs that have had a recall - even though repaired, cannot be sold at the Lancaster JBF sale).

We also have very high standards when it comes to selling **Car Seats** and **Cribs** and **Infant Sleep Products** (scroll down to read more). Plus, you'll find furniture tip-over prevention and drawstring safety information in the pages to follow.

### **B.O.B. Strollers**

BOB jogging strollers manufactured between January 2009 and September 2015 were recalled for front wheel attachment issues. The replacement thru-bolts are also faulty (model number is S11393700). The bolt can fracture during use, allowing the front wheel of the stroller to detach, posing a risk to the child in the stroller and the adult pushing the stroller. There is no current remedy offered by the manufacturer that makes this item safe to sell at JBF.

6

### **Maclaren Strollers**

All Maclaren single and double umbrella strollers sold between 1999-2009 were recalled for potential finger amputation from hinge mechanism. Consumers should immediately stop using these recalled strollers and contact Maclaren USA to receive a free repair kit. Strollers with repair kit installed are safe to use and to sell at Just Between Friends.

7

### **Boppy Lounger**

Infants can suffocate if they roll, move, or are placed on the lounger in a position that obstructs breathing, or roll off the lounger onto an external surface, such as an adult pillow or soft bedding that obstructs breathing.

Consumers should immediately stop using the recalled loungers and contact The Boppy Company for a refund. [boppy.com/pages/loungerrecall](http://boppy.com/pages/loungerrecall)
